

*Energy &
Light Healings®*

**Crystal Light
Therapy**

now available in Santa Fe!

Designed and used by
world renowned healer
John of God from Brazil.

We use seven Brazilian
crystals which are aligned
with the body's energy
centers, the chakras, that
spin energy through the
energetic and meridian
systems. Pulsating colored
light is shone through each
crystal in an alternating
pattern, creating an
amplification of vital energy.

unique healing
opportunity as anointed
through John of God.

Crystal Light Therapy was designed by John of God at the Casa de Dom Inacio, a spiritual healing center in Abadiania, Brazil. John is possibly one of the most powerful mediums of our time. Evolved Spirit Entities of Light perform miraculous surgeries and healings through John. The Crystal Light Table is

a healing modality often prescribed by the Entities to help balance, clear and restore the body's energetic template. Crystal Light sessions are relaxing, comfortable and life changing.

Shirley French Reichstadt was originally called to John of God in Brazil and has received crystal light therapy, spiritual surgeries, spiritual interventions and deep meditation in the Casa's rooms. On her most recent visit, the Entities, working through John of God, told Shirley that her work is energy and light. A Crystal Light table was prepared especially for her use, creating **Energy and Light Healings**.
